NAME \_\_\_\_\_

ADDRESS \_\_\_\_\_

The Council has considered your application No. \_\_\_\_\_ dated \_\_\_\_\_ for  
permission to \_\_\_\_\_ and hereby permits the proposed  
development/building subject to the conditions attached hereto.

You are advised that the granting of this permit shall not in any way relieve the owner and the  
developer from full responsibility for carrying out the work, or having the work carried out in  
accordance with the requirements of the regulations, and any person who carries out any development  
or building work that is not in compliance with this decision and the Regulations, may be subject to  
an order by the Council to stop such work, and that failure to comply with such an order renders  
such a person liable to prosecution.

Any permit issued under Council's Development Regulations is subject to an appeal. An appeal under Section  
42 of the Urban and Rural Planning Act shall be filed with the appropriate board not more than 14 days after the  
person who made the original application appealed from has received the decision being appealed. Should  
the developer proceed with the work before expiry of the appeal period, he does so at his own risk.

Any queries, appeals or requests for clarification arising from this permit should be addressed to  
the undersigned at the Council Office, and should quote the application number.

Issuance of this permit is conditional on compliance with the National Building  
Code of Canada and its supplementary codes. However, you are advised that  
Council does not provide inspection services for implementation of these codes  
which have been adopted by Council, as Municipal Building Regulations.  
Inspections will be carried out by Municipal Staff with regard to compliance with  
the Town's Development Regulations only.
